## ARGGER **HEBE**

Our Hebe scale mesh curtain is made from durable aluminum material. It is composed of many sequins and rings. Every sequin has 4 legs and every leg is folded backward and connected with a ring to ensure all sequins are connected with each other.

It is a decorative material that comes in a variety of shiny colors to create amazing visual effect different from other common curtains. It is lightweight and soft like cloth fabric showing attractive colors with the changing of lights. It is widely used in weddings, parties, banquets, salons, showcases and many other places.

Lightweight bright sequins come in a variety of shapes and make it a popular decorative fashion element.
